Subject: IRC's in Germany  
To: info-hams@ucsd.edu

Hello,

a discussion was on last weeks about IRCs and whether they are valid everywhere  
and for AIR mail or not.  
The facts about German post:

Yesterday I was on town's Post Office here in Ilmenau.  
They know only the "old" IRC, not the new one for \$0.95. Thats why the would  
give me only the equivalent for the well known old IRC.  
This is postage of normal mail, means sea transport how you can see below.  
Not for AIR MAIL!

Because the postage for normal oversea mail is 2.00DM since April 1st instead  
of 1.40DM before they give me only for the IRCs stamped AFTER April 1st  
2.00DM in stamps - for all those stamped before only 1.40DM.

Now air mail letter costs 3.00DM at least.

So: 1 IRC is not enough for a air mail reply from Germany. Thats the thruth.  
Sorry.

To buy you have to pay 2.50DM each IRC.

Happy QSLing...
